

LEAD PROGRAM: STEPS FOR IMPLEMENTING PHASE II

INTRODUCTION & DEFINITIONS

STEPS FOR IMPLEMENTING PHASE II: THE LIFE OF LOVE

This resource is designed as an overview of Phase II to be used as a resource along with the LEAD Chairman's manual and other LEAD resources. A condensed checklist has been provided in each section to assist in your implementation of Phase II.

DEFINITIONS

THE MISSION OF SIGMA NU FRATERNITY, INC.

To develop ethical leaders inspired by the principles of Love, Honor and Truth.

To foster the personal growth of each man's mind, heart and character.

To perpetuate lifelong friendships and commitment to the Fraternity.

THE VISION OF SIGMA NU FRATERNITY, INC.

Excelling with Honor

The words **L**eadership, **E**thics, **A**chievement and **D**evelopment all have a special meaning in this program.

Leadership means having a vision, a sense of direction. It also means being able to focus that direction on special ways to get you there. It includes helping others to have influence, power and initiative to support making the "trip" successful.

Ethics for us means putting Love, Honor and Truth into practice in every aspect of our life.

Achievement includes setting high standards of excellence for one's own performance, being strongly motivated through personal goals and wanting feedback to correct the course of our endeavors.

Development has the special meaning of commitment to continuing improvement for self, others, chapter and the General Fraternity. We may not be perfect, but we should strive to reach our fullest potential.

PHASE II: THE LIFE OF LOVE: Phase II continues the development of ethical leaders that began in Phase I. Participants in Phase II will begin to develop and refine the skills necessary to become and remain successful leaders in society.

LEAD PROGRAM: STEPS FOR IMPLEMENTING PHASE II COMMITMENT , PROMOTION, RECOGNITION AND REINFORCEMENT

COMMITMENT

As an Executive Board and Chapter, you need to commit to implementing the LEAD Program and giving it the time and attention it needs to be successful.

- _____ As an Executive Board, make a commitment to implementing Phase II as the basis of the chapter's continuing membership development program (post-Candidate Education).
- _____ Explain Phase II to the entire chapter membership. Walk them through the login process to access online portions of the program and show them how an online session works.
- _____ Make implementation of Phase II a chapter goal for the year.
- _____ Discuss participation in Phase II with second year members to ensure commitment and build enthusiasm.
- _____ On a consistent basis, share information regarding LEAD with the chapter (flyers, calendar, upcoming sessions and facilitators).
- _____ Gain support of the Chapter Advisor and other key influential leaders in the chapter.
- _____ Determine an implementation schedule (frequency of sessions – weekly or bi-weekly over one semester, monthly over the academic year, in batches, other).
- _____ Set a kickoff date for Phase II and begin with the Phase II Orientation.

PROMOTION

Keep LEAD at the forefront of your chapter activities by promoting the program. By doing this you are helping build the respect that others will have for the program.

- _____ At the Phase II kickoff session, have several brothers who previously completed Phase II share how it impacted them as individuals.
- _____ Use a variety of methods (e-mail, posters, announcements, reminder calls) to promote Phase II.
- _____ Be positive when talking about LEAD with brothers in the chapter.
- _____ In chapter each week, highlight how Phase II is going. Share something specific that happened or a positive point from a recent session. This will help the program build respect from other members in the chapter.
- _____ Explain WHAT the participants will learn from each session. This is crucial to building interest in the sessions.
- _____ Promote LEAD by including stories about chapter involvement with LEAD in your chapter's alumni newsletter.

Recognition

Members need to feel good about the commitment they have made to improve themselves and the chapter. Take time to recognize those who participate.

- _____ Four weeks prior to the conclusion of Phase II, order LEAD certificates for members who complete 80%+ of Phase II sessions. To do so, contact Headquarters, (540) 463-1869, and be prepared to provide a listing of the members' names.
- _____ Recognize those members who have perfect attendance in Phase II publicly at chapter meetings.
- _____ Take the opportunity to talk to members individually and thank them for their participation.

Reinforcement

Take advantage of "teachable moments," where you can highlight how LEAD has helped the chapter or individuals.

- _____ Highlight how LEAD has helped individual members by having them share their stories.
- _____ Highlight how LEAD has helped the chapter as a whole by sharing stories.
- _____ When appropriate, talk up the program informally and formally.

LEAD PROGRAM: STEPS FOR IMPLEMENTING PHASE II STRUCTURE

STRUCTURE

The LEAD Program needs the proper structure in place to succeed. Take the time before the semester starts to build the structure.

- _____ Ensure the LEAD Chairman has reviewed all available Phase II resources (LEAD Chairman's manual, LEAD portions of the Sigma Nu web site, online portions of Phase II sessions).

- _____ Meet with the Greek Advisor and other campus administrators to identify possible guest facilitators for Phase II sessions.

SESSION FORMAT

All sessions for Phase II of the LEAD Program have two (2) distinct components.

1. Online portion: Accessed via the Members Area of www.sigmanu.org and completed by Phase II participants on an individual basis.
 - a. Participants are expected to log in and complete the online portion of each session prior to attending the facilitation. Online sessions are self-paced and may take anywhere from 20-60 minutes to complete, depending on the user. During the online portion of the session, participants will engage the session content in an interactive format that includes videos, audio voiceovers, activities, handouts, journaling exercises and quizzes.
 - i. Participants are expected to print all relevant handouts from the online portion to bring to the facilitated portion.
 - ii. Completing this portion of the session will provide a knowledge base from which the participants will relate and build upon in the facilitated portion.
 - iii. Facilitator access to the online portion, of any phase or session, for non-members is available by contacting headquarters@sigmanu.org or (540) 463-1869.
2. Facilitated portion: Completed in a workshop/discussion setting which is attended by all phase participants.
 - a. Participants are expected to attend the facilitated portion of the session. This should be scheduled and announced in advance to allow time for participants to engage the online portion of the session.
 - i. Completion of the online portion builds a base of knowledge from which participants can relate to the interactive, hands-on, and application approach of the facilitated portion.
 - ii. Guest facilitators are highly encouraged for every session of the program. Guest facilitators could take the form of alumni; College/University faculty, staff and administrators; community members; and any “experts” in a field related to the session content.
 - iii. Facilitators should relate the discussions and information presented in the facilitated portion back to the online experience.
