**NORMAN D. DICKS INDUCTED INTO THE SIGMA NU HALL OF FAME**

**Lexington, Va.** – Sigma Nu Fraternity, Inc., is pleased to announce that Norman D. Dicks was inducted into the Sigma Nu Hall of Fame on July 18, 2006, in Indianapolis, Ind., during the 62<sup>nd</sup> Grand Chapter (Convention).

Over Sigma Nu's 137-year history, only 45 alumni have been inducted into the Hall of Fame. Each inductee must have brought credit to his nation, to his profession, to himself and to Sigma Nu Fraternity.

Rep. Norman D. Dicks was initiated into the Gamma Chi Chapter at the University of Washington in 1963. In 1976, he was first elected to Congress for Washington State's 6th Congressional District, and he has been re-elected in every election since that time. Having received a rare first-term appointment to the House Appropriations Committee, Rep. Dicks currently serves as a senior member of that Committee. He is a member of three key Appropriations Subcommittees – Defense, Interior, and Military Construction. At the outset of this session of Congress, Rep. Dicks was also appointed to the Select Committee on Homeland Security, and he currently serves as a member of two Subcommittees: Infrastructure & Border Security and Intelligence & Counter Terrorism. Rep. Dicks has been an influential moderate Member of Congress on defense and national security issues. During the 1980's he was involved in all of the major arms control debates in Congress, and was appointed to serve as an official observer to the US-Soviet arms reduction talks because of his expertise.

Sigma Nu Fraternity, Inc. is an international men's fraternity founded in 1869 at Virginia Military Institute. Headquartered in Lexington, Va., Sigma Nu Fraternity has chapters and colonies on college campuses throughout the United States and Canada.
