**Lexington, Va.** – The Brotherhood of Sigma Nu Fraternity mourns the untimely death of our Brother, Clifton R. Alexander, a 20-year-old initiate of our Epsilon Nu Chapter at Miami University of Ohio.

“We are deeply saddened by this sudden tragedy and the loss of a wonderful young man. Clif’s family, Chapter Brothers and friends are in our prayers,” said the Fraternity’s Regent (international president) John R. “Jay” Pitts.

The Fraternity’s Executive Director, Brad Beacham, thanked the University administration and community for their immediate and continuing support of the Brothers of the Epsilon Nu Chapter. “We are so grateful for the outpouring of support from the University community as our Miami Brothers grieve the loss of their Brother and dear friend. The strength of the community’s support has been wonderful and is a great comfort.”

Beacham also noted that the members of the Fraternity’s staff arrived on campus yesterday to provide additional support. “We will continue to work closely with the University administration to ensure that our student members receive all of the ongoing support they will need.”

Headquartered in Lexington, Va., Sigma Nu Fraternity was founded in 1869 at Virginia Military Institute in Lexington and currently has nearly 180 active chapters and colonies on college campuses throughout North America.
