

## **CAMPUS INVOLVEMENT TRACKING SHEET**

Sigma Nu Fraternity members enhance their host institution by becoming engaged as leaders in campus and interfraternal activities and organizations. Through their leadership, members advance the purpose of both the Fraternity and their host institution. This is recognized as a contribution to the greater good.

As such, the Fraternity expects that all Sigma Nu members actively seek to become involved in other student organizations outside of the Fraternity. Chapters and colonies operating at an Acceptable level, measured through the Fraternity's Pursuit of Excellence Program, must demonstrate that at least 60% of members are involved outside of the chapter/colony. Excellent chapters and colonies, as defined by the Pursuit of Excellence Program, strive for 80% of their members involved in other student organizations and aim for at least 10% of members holding leadership roles in other organizations and/or campus programs.

**The following resource can assist with keeping track of member involvement. The pages to follow provide space for the chapter/colony to record its membership roster and to denote involvement and leadership roles.**

Before using this resource, the chapter/colony should consider how it will be edited. Will the document be printed and passed around at a chapter meeting beginning/mid/end of the academic term? Will it be hosted on a shared server (Google Drive) that members can add their names and involvement to? Is there any additional information that the chapter/colony would like to collect (e.g. class status, time frame, etc.)? Who will be responsible for maintaining this list once it has been completed and how often will it be reviewed to make sure it is still accurate?

Once answers to these questions are known, the chapter/colony can delete/remove this first, instructional page. The chapter/colony is encouraged to submit a copy of their maintained, membership involvement roster as supporting documentation along with their Pursuit of Excellence Self-Assessment submission each year.
