EXCELLING WITH HONOR

Updated Coronavirus Advisory – March 11, 2020

We are aware of many colleges and universities, in response to the Coronavirus (COVID-19) outbreak, shifting to entirely virtual classroom instruction, placing limitations on group gatherings, or requesting students to stay home rather than returning to campus after spring break, among other preventive steps. We recognize these directives may potentially impact your chapter and/or house corporation's operations. If you should need any assistance in navigating that potential impact, please do not hesitate to contact me at fred.dobry@sigmanu.org.

We will continue to closely monitor the developing situation and will provide additional guidance and resources as may be appropriate.

Fraternally,

Fred Dobry (Indiana State)
Director of Health and Safety
