Sigma Nu Fraternity

Our commitment to you & your son:

We, the advisors, the chapter officers, and membership, commit to you to the five objects of Sigma Nu:

1. **HONOR.** To govern each act by a high sense of honor.
2. **FRIENDSHIP.** To bind together all members by ties of true and lasting friendship (brotherhood).
3. **ASSISTANCE.** To protect, assist, advance, and encourage each other by every honorable means.
4. **UNITY.** To have plans for guidance and unity in action.
5. **COMMUNICATION.** To gather, to propose, discuss and agree upon these plans at meetings.

Further we commit to:

1. **NO HAZING** – period! Sigma Nu was founded against hazing in 1869 – that tradition continues.
2. **LEADERSHIP DEVELOPMENT** – provide opportunities for the young men of our chapter to learn, develop, and practice their leadership skills that will serve them the rest of their lives.
3. **EDUCATIONAL ASSET** – we pledge that Sigma Nu will be an academic and educational asset to your son in college and after – not the reverse. It will not be easy, but it will be rewarding.

LEAD: candidate education & member development

LEAD is Sigma Nu's award-winning ethical leadership development program. In alignment with Sigma Nu's continuing efforts "To develop ethical leaders..." we offer the LEAD Program as a tool to assist our membership in both gaining the knowledge and developing the skills and abilities needed to be an effective and ethical leader for life.

The LEAD Program is a comprehensive ethical leadership development program designed to ensure participants "learn by doing." LEAD is tied to the 4 years of college with 4 phases and becomes the basis, along with other experiences, in the Sigma Nu co-curricular transcript. Phase 1 is candidate education – the remaining phases are member development and life after college.

The Positive Impact of Sigma Nu

RESEARCH SHOWS THE VALUE OF MEMBERSHIP

Over the past four years, from the team at Gallup – the leader in research and analysis – to university faculty members, researchers have worked with the North American Interfraternity Conference (NIC), in partnership with the Foundation for Fraternal Excellence (FFE), to conduct and widely share the results of more than 20 studies to guide advocacy efforts and the work of fraternities.

STUDIES SHOW:

Fraternities are an accelerator for success in college and beyond.

Fraternities capitalize on students' time outside of the classroom by preparing men for success in college and in their futures far beyond what their peers experience. Because of higher expectations and the support and network fraternities provide, members experience greater gains in learning and graduate at higher rates than their peers. 83% of members say their confidence in their leadership skills increased because of their membership.

FRATERNITY MEN ARE...

• **3x** more likely to obtain an internship while in college

• **Almost 2x** as likely to have a job waiting for them when they graduate

• **2x** as likely to encourage others to attend their alma mater

• **5x** as likely to give back financially to their alma mater

• **Almost 8x** as likely to be satisfied with their lives as alumni

• **More likely to intervene** when a friend/peer is behaving in an unsafe manner

Fraternity men are socially conscious and believe in promoting safety and inclusion.

Considering high-risk behaviors, including sex, alcohol, and hazing, fraternity men believe in and promote safer and more inclusive environments than nonmembers. They understand the definition of sexual assault, report drinking less and with moderation, and choose not to participate in hazing because they do not want to cause emotional harm, it goes against their values, and wanting to be respected by others.

Fraternities create lifelong connections to the campus, community, and friends.

Fraternities empower students to create a strong support system. Members are more engaged inside and outside of the classroom than their peers – they report feeling more supported by their faculty, and nearly half serve in leadership roles across campus. They're also more connected to their local communities, with research showing they spend significantly more time volunteering than non-affiliated students.

Fraternity members experience stronger mental health.

Research shows fraternity membership connects men to the university in a way nonmembers simply don't experience. They're more satisfied as students and alumni and are more likely to recommend and give back to their alma mater. Research shows that this connection can create a strong sense of belonging, leading members to have more positive mental health and less anxiety and depression than other students.

Fraternity members hold their peers accountable.

Research shows that fraternity men are more likely to intervene in higher-risk situations than those not affiliated and that they are more comfortable in providing accountability in the areas of academics, sexual relationships, professional/career goals, personal goals, and hazing. Additionally, they take a greater responsibility to support the personal and professional growth of their friends/peers – a brief point that affirms the meaning of true brotherhood.

Sigma Nu Fraternity

Revisit: Our commitment

We, the advisors, and the chapter officers commit to you to the five objects of Sigma Nu Fraternity:

1. **HONOR.** To govern each act by a high sense of honor
2. **FRIENDSHIP.** To bind together all members by ties of true and lasting friendship (brotherhood)
3. **ASSISTANCE.** To protect, assist, advance, and encourage each other by every honorable means
4. **UNITY.** To have plans for guidance and unity in action
5. **COMMUNICATION.** To gather, to propose, discuss and agree upon these plans at meetings

Further we commit to:

6. **NO HAZING** – period! Sigma Nu was founded against hazing in 1869 – that tradition continues.
7. **LEADERSHIP DEVELOPMENT** – provide opportunities for the young men of our chapter to learn, develop, and practice their leadership skills that will serve them the rest of their lives.
8. **EDUCATIONAL ASSET** – we pledge that Sigma Nu will be an academic and educational asset to your son in college and after – not the reverse. It will not be easy, but it will be rewarding.
