100th Anniversary

SIGMA NU

Dear Sigma Nu Brothers,

In May 2015, we have an opportunity for all Sigma Nu's from the University of Idaho – both alumni and actives – to celebrate 100 years of brotherhood.

Though much has changed over the last century, one thing has remained constant. The Delta Omicron Chapter of Sigma Nu continues to build young men through a focus on leadership, academics, campus involvement, philanthropy and brotherhood, fostered by the ideals of Love, Truth and Honor.

We are excited to invite you to join us in Moscow as we celebrate our 100 year anniversary May 1-3, 2015. This all chapter reunion will give you a chance to catch up with pledge brothers and to tour both the chapter house and the University of Idaho campus, as well as participate in numerous planned activities.

Help us celebrate our past 100 years and set the stage for the next century as Sigma Nu at Idaho continues its tradition of legacy building and achievements we can all be proud of.

When filling out the registration form, please consider sponsoring a collegian. These funds will help defray the cost for young men in the chapter and enable them to participate in the weekend's activities and witness firsthand what our lifelong bond of brotherhood looks like. Thanks for considering the sponsorship opportunity.

We hope to see you in Moscow for a weekend that promises to be one you will not forget.
