

Fall 2020 Covid-19 Guidelines for Sigma Nu

General Guidelines for the Chapter House:

- Sanitizing stations will be placed throughout the house, upon entering the house, every member or guest must immediately sanitize hands
- Thermometers will also be placed near the main entrances
 - Twice a week, in house members must take their temperature and record it
 - Out of house members must take temperature if they enter the house one time per day
- Out of house members must sign in with temperature when entering the house. They must show a recent negative test within the last 4 days.
- Every member must get tested for Covid-19 at least twice per week and report test results to chapter officers
- If there are any symptoms, minor or major, in-housers are required to wear a mask and self-quarantine until symptoms subside. If worsen, immediately contact Alexx or Matt regarding symptoms and quarantine protocol will take place
- Heavy contact surfaces such as doorknobs, railings and light switches will be cleaned and disinfected regularly
- Rooms must be sanitized twice a week
- Limit to one (1) guest per in house member up to 10 people total, if you want to bring more than one (1) guest in compliance with the Urbana Ordinance, confirm with Matt E or Alexx
- All guests must sign in and record temperature, show Safer Illinois app for a test in the past 3-4 days as well as state history of places recently visited with a high risk of contagion
- Social distancing is encouraged at all times throughout the house, masks are required for common areas
- Masks will be mandatory for anyone anytime they enter the kitchen
- A mask is required for any member leaving the chapter house

Chapter Meeting Guidelines

- Chapter will be encouraged remotely for anyone not living in the house
- **No chapter dinner** (sorry)
- No deduction of points
- Masks are required if attending
- Sit every other chair as much as possible

- If any member gets Covid-19 then chapter is immediately cancelled and a replacement chapter will take place on zoom

Quarantine Guidelines (All Fraternity)

In the event any member of the fraternity gets Covid-19 or displays any symptoms

- All out of house member's access to the fraternity house is immediately limited revoked
- Any and all chapter house events are immediately postponed/cancelled
- Self isolation is recommended if you came into contact with any member of the fraternity
- All guests who signed in on the visitor sign in form will be notified
- All chapter members will immediately be required to be tested and report results to Matt

Quarantine Guidelines (In House)

In the event any member that lives in gets Covid-19 or displays any symptoms

- The member(s) that contracts Covid-19 or has relevant symptoms will be immediately quarantined in their room if residing in single, or quarantined in The Cube, 9.5, or 16
 - The Cube will be held as a staging/ observing room for those with roommates who contract Covid-19. The person with Covid will stay in their respective room
 - Quarantine rooms are subject to double up in the event if multiple members display symptoms
 - Any member that gets tested negative *after* an individual is tested positive for Covid-19 is given the option to leave the house and reside elsewhere until everyone tests negative for two (2) consecutive days
- The house goes on lockdown and any individual who does not live in the house can not enter the chapter house without approval from Matt E or Alexx
 - If any In-houser decides to bring a guest while on lockdown without approval from MattE or Alexx, they will be Honor Boarded and subject to fines
- Masks must be worn by in housers any time that they leave their room in the event someone contracts Covid-19
- The member(s) that contract Covid-19 will only be allowed to leave their room for bathroom or shower needs. Those member(s) with Covid-19 will need to send a warning to in-housers when they are going to the bathroom or shower.
 - The quarantined individual must wear Gloves and N95 mask if leaving the room for any reason (can be removed to shower)
 - After usage said member/s with Covid is expected to sanitize the facility they used thoroughly
 - A toilet, sink and shower head will be designated for use by quarantined individuals only
 - Food and drink will be delivered to the quarantined room

- All in house members are required to immediately get tested for Covid-19 and report test results to Matt E
- Lockdown will be lifted if and only if the person(s) that have contracted Covid-19 test negative for the virus for two (2) consecutive days as well as every other member tests negative following those results
- Mask usage will be required for a possibility of one week following the easing of in house lockdown restrictions

General:

- ALL OF THESE GUIDELINES ARE SUBJECT TO CHANGE BASED OFF OF CONDITIONS OF THE STATE AS WELL AS THE HOUSE FOR OUR WELL BEING

As you guys know this is not ideal and not what we want. We are going to make the best of it but the safety of our members and those living in the house come as a first priority. Please feel free to talk to Matt E or Alexx about any questions or concerns you may have with these guidelines.
