

# Rho Chapter Recruitment Needs Your Help!

Rho's Fall 2019 Candidate Class after their January 2020 Initiation

Recruitment for Fall 2020 has begun! The University does not provide incoming freshman lists, so we need all Rho alumni to refer as many names as possible. **Rho especially needs referrals from Kansas City, St. Charles county, Springfield, and small-to-mid-size Missouri towns.**

The Rho Chapter Recruitment Chairmen are

**Michael Beattie**  
(XXX) XXX-XXXX

**Cam Saunders**  
(XXX) XXX-XXXX

[sigmanumurush@gmail.com](mailto:sigmanumurush@gmail.com)

Please e-mail or text names, phone numbers, and the high school of potential recruitment candidates to Michael and Cam.

Or, there is an information form on the chapter's web site that you or the recruit can complete: [sigmanumu.com/recruitment](http://sigmanumu.com/recruitment).

## The Fall 2019 candidate class was 42! Spring 2020 is 17!

You may not know a high school senior, but by "networking" you probably know someone who knows a recruitment candidate. Some potential sources of names are:

- If you have a son, nephew, grandson, or other relative entering Mizzou, obviously Rho wants the privilege to recruit legacies.
- If you have a high school-aged son, daughter, nephew, niece, grandchild, or neighbor, please ask them for names and phone numbers of male classmates that will be attending Mizzou in Fall 2020.
- Perhaps there is a young man at your church that will be attending Mizzou, or who might know someone that is entering Mizzou.
- Or, perhaps you coach a team (or have a child on a team) and have players, brothers of players, or parents of players that can provide names and phone numbers.
- Ask your co-workers if they know any young men or if they have children that know young men that will be attending Mizzou.
- Please ask your relative, neighbor, or friend that is a teacher for referrals of students that will attend Mizzou.
- For those of you who have moved away from Missouri, please ask your relatives still in Missouri for referrals, especially those of you from small towns.
- Mizzou has many students from Chicago, Dallas, Houston, Nashville, Memphis, and Minneapolis. If you live in one of these cities, please follow the above steps.

A successful example: For Fall 2019, a Rho alumni high school teacher in a mid-sized MO city referred 1 exceptional student. That student then referred 3 classmates. Rho pledged 4 new members from a high school not previously represented based on that alumni referral.

The Recruitment Chairmen appreciate alumni help. Let's support Rho's recruitment. Thanks!
