

SPRING BREAK THE SAFE WAY

TRAVEL SMART

Keep your ID, phone,
and some cash secure.
Use trusted transportation
– don't drink and drive.

PLAN AHEAD

Know your destination,
share your plans, and
pack the essentials:
sunscreen, water, ID, and
appropriate clothing.

MAKE THE FUN LAST

Check in with people
back home, think
before you post, and
make sure everyone
has a great time –
and gets home safely.

STICK TOGETHER

Stay with your group
and never let anyone
wander off alone.
Step up if you see
something unsafe.

**Fun lasts longer when you take care
of yourself and your friends.**
