

Sigma Nu Initiates/Candidates Killed in Wars

Listing as of 6/24/2016

Below are the names of more than 700 Brothers who we believe were killed in various conflicts in which our country has taken part. Sigma Nu is developing plans to honor the memory of our fallen Heroes and we need your help. While we have compiled these names, but we are certain this is not a complete listing of our Brothers who “Died on the Field of Honor.” We need your help in ensuring we have an accurate a listing as possible. We ask that you review your chapter’s list of names to ensure its accuracy. If you know of Brothers who should be listed who are not, please let us know. If you are interested in learning more about our plans for honoring these Brothers or you would to get involved with the effort by donating time or treasure, please contact the Headquarters at headquarters@sigmanu.org or via phone at 540-463-1869.
